

LINDA BURNS PRODUCER LINE PRODUCER PRODUCTION SUPERVISOR

Always on time. Always on budget. 404.622.8342 (O) 404.307.8022 (C) lindawashere@mindspring.com

I've worked with butterflies, penguins, dogs, maggots, horses, cats, flies, a taxidermy molded shark, babies, kids, entourages, difficult clients, movie stars, musicians, politicians, pro athletes, strippers, crack addicts, prostitutes, thieves, & murderers. I've shot, stabbed, & set people on fire, decapitated heads, drilled holes in arms, & smashed in skulls. I've shut down busy roads & highways to create an accident on I-85, race a NASCAR car down Peachtree Street, & fake a hurricane evacuation in Miami. I've shot 100 spots in 15 days with only an Arriflex & a Milo MoCo, & taught Himalayan monks & grade school kids how to make movies. I do film & I love it.
